## ***“The Sommeliers Focus”***

### ***Santa Cruz Mountains***

One of California’s first AVAs, the Santa Cruz Mountains growing area is rich with wooded peaks and small vineyards tucked into quiet hillsides. The region is known primarily for Pinot Noir, Chardonnay and Cabernet Sauvignon. The Santa Cruz Mountains Appellation encompasses more than 850 square miles beginning from San Francisco down the Peninsula to Silicon Valley and Gilroy over to Watsonville, Monterey Bay and back up to Santa Cruz and Half Moon Bay.

It all began around 1853 when Scotsman John Burns planted the first commercial vines in the county. Burns named the mountain where his vineyard grew "Ben Lomond" (meaning Mount Lomond), which was the name of an old wine district in Scotland. Ridge Vineyards would be one of the first to follow Burns and to great success. Kathryn Kennedy would become a pioneering woman in American wine making moving on the hill in the wine boom of the 1970’s. Since its beginning with challenges and success’ Santa Cruz Mountain wineries has become a premier wine growing region with spectacular wines and amazing vista’s  
Cheers!!
